

- for which they are processed.
- b. The Organisation shall collect the minimum amount of data relevant to the specifics of the work

## **6. Accuracy**

- a. The Organisation shall take reasonable steps to ensure personal data is accurate.
- b. Where necessary for the lawful basis on which data is processed, steps shall be put in place to ensure that personal data is kept up to date.
- c. The Organisation will ensure as far as is reasonably possible that the data collected is provided electronically by the user or verified by them as accurate.

## **7. Archiving / removal**

- a. To ensure that personal data is kept for no longer than necessary, the Organisation shall put in place an archiving policy for each area in which personal data is processed and review this process annually.
- b. The archiving policy shall consider what data should/must be retained, for how long, and why.

## **8. Security**

- a. The Organisation shall ensure that personal data is stored securely using modern software that is kept-up-to-date.
- b. Access to personal data shall be limited to personnel who need access and appropriate security should be in place to avoid unauthorised sharing of information.
- c. When personal data is deleted this should be done safely such that the data is irrecoverable.
- d. Appropriate back-up and disaster recovery solutions shall be in place.

## **9. Breach**

In the event of a breach of security leading to the accidental or unlawful destruction, loss, alteration, unauthorised disclosure of, or access to, personal data, the Organisation shall promptly assess the risk to people's rights and freedoms and if appropriate report this breach to the ICO (more information on the ICO website).
