We exist to support their children by providing training, advice, advocacy and support using a proactive approach to improve the educational outcomes for children including:

- Providing training to parents and young people on their rights and options
- Providing training to parents and community groups on exclusion related issues
- Working with schools, local authorities and relevant professionals on reducing exclusions

## Joan Hall

I'm passionate about what I do, but I wish it wasn't necessary. I despise unfairness, injustice and Afriphobia and currently that's the status of the
